A BLESSING BEFORE SUMMER VACATIONS

Take time to claim your strength;
they are gifts of God.
Take time to have fun;
it's God's way of teaching you your strengths.
Take time to grow yourself;
only you can grow you.
Take time to trust yourself;
God trusts you.
Take time to be self-reliant;
it is better than being dependent.
Take time to share with others;
they will bless you, and you will bless them.
Take time to have hope,
you are a child of God.
Let's put ourselves into the hands of the Lord,
and pray that God will bless us and our families
during the wonderful months of summer.
May we all help make our home a place of
relaxation, joy, love, peace and safety.
May we be generous and considerate,
not thinking only about ourselves,
but helping others enjoy the blessings of a
summertime.
Lord God, Creator of all things,
guide our steps and strengthen our hearts,
during these months of summer and vacation
days. Grant us refreshment of mind and body.
We ask this through Christ our Lord.
Amen.

*You will be in our thoughts and prayers
throughout the summer months!*

*Beth York, Vicki Boyd, and
Mary Annette Keating*

Happy Summer Travels!

Extended Care News...

It has been a great year for St. Francis Extended Care. We would like to thank all the teachers and staff who worked with the children and made it a positive experience for them.

We only have a few days and then Camp Timberwolf kicks off on Tuesday, June 1st, for 8 weeks of summer fun. For those of you who have registered, remember campers must be signed in and out each day by a parent or adult. For working parents, we will open at 7:00 a.m. but camp rotation does not begin until 8:30 am. From that point on, campers will rotate to a different activity every 30 minutes. The last rotation for each day ends at 4:50 pm. Again, as a courtesy to working parents, we are here until 6:00 p.m. Campers should bring their lunch and drink each day. Camp will provide a snack in the morning and yummy things to eat during "Kids in the Kitchen" in the afternoon.

Please remember Camp Timberwolf can always use any paper products that you may have left over from birthday parties, picnics, weddings, company events, etc. Toys, games children's books, dolls, kitchen sets, dishes etc. are always welcome and appreciated.

We have many campers attending this summer and are looking forward to busy, fun days during June and July.

For more information on Extended Care, visit our website or call 381-2595.

2010-2011 8th Grade Washington D.C. Trip

The current 7th grade parents met on Monday evening May 24th to discuss the annual educational field trip to Washington D.C. scheduled for May 2011. Please go ahead and register your child for the trip if you plan to send your student with us. There are discounts on the price if you are registered by the early registration deadline. The chaperones are teachers and administrators and due to the large number of students we cannot take parents along too. When you register, please fill in an email address so we can use the WorldStrides website to message you about the details of the trip as we get closer to departure. Early registration is important because it allows the group better flight selections on the trip. The students are listed in the order they register for the trip and that can be an advantage for airline flights too.

If you missed the parent meeting, please look for the registration packet from WorldStrides that we will mail to your address and email Mrs. Chando with any questions to: sandra.chando@sfaschool.cdom.org

CURRENT 8th graders who attended the Washington, DC Trip – Please remember to pick up your “Trip Picture” in the school office. (This was included with your trip package).
