

St. Francis of Assisi Grades 1-8 2011-2012 School Year

Sodexo is pleased to continue offering lunch meal plans for 1st through 8th grade students at St. Francis of Assisi Catholic School. We provide three options from which to choose: semester meal plan, declining balance card, and cash.

All students will be issued a plastic ID card known as the “SFA Card”. Students in grades 1-5 will keep their cards in the cafeteria. Students in grades 6-8 will be responsible for keeping their cards. The cards can be used to purchase a complete meal or a’la carte items. The “SFA Card” eliminates the need to carry cash while speeding up the lunch line.

► **The Semester Plan:** The semester meal plan is a great value for the student that eats lunch in the cafeteria daily. This is our most economical plan and saves you when compared with daily cash prices. The Semester Plan offers the students a complete meal: (A) one entrée, (B) two tasty sides, and (C) a drink. Students’ choosing to participate in this plan will get their meals and present their “SFA Card” to a cashier. The computer will identify that the student is on the meal plan.

► **Declining Balance Card:** The “SFA Card” can also be used as a declining balance, pre-payment, and debit card system. This system is convenient and avoids the need for your student to carry cash to school each day. Students choosing to use the “SFA Card” as a debit system will select their food items and present the card to a cashier. The appropriate charge is deducted from the students’ account. When the “SFA Card” balance gets to \$10.00, the student will be reminded to add money to their account.

► **Cash:** All cashiers will gladly accept cash for food purchases.

► ****No charges are allowed****
