

## COMMUNICATION

Email is used as the primary means of communication between St. Francis of Assisi Catholic School and our parents/families. This includes Tuition Statements, Newsletters, current issues, programs, Emergency notices (including but not limited to early dismissals) and other various correspondences.

**Please be sure to notify Randie Moore at [randie.moore@sfaschool.cdom.org](mailto:randie.moore@sfaschool.cdom.org) of ANY email changes THROUGHOUT the school year. If you do not have email capabilities, please inform the school office in writing.**
