

Looking for a cure for summer boredom?
Enroll your child in a fun and educational
Mad Science Summer Enrichment Camp at SFACS.

They will be having so much fun they won't realize they are learning too!

Junior Scientist

Dates: 6/8/2009 - 6/12/2009
Time: 9:00 - 11:00
Grades: Entering JK-Entering 1st
Cost: \$125 per child

Spark the imagination of your Little Einstein. Discover the power of water and the ocean through fun and interactive experiments. Learn to make healthy food choices and the wonders of the body through games and awesome demonstrations. Explore the rainbow of colors in the world, magical magnets, and use toys to investigate energy. Students come home with their own fun activity each day.

Detective Discovery

Dates: 7/20/2009 - 7/24/2009
Time: 9:00 - 12:00
Grades: Entering 1st-Entering 5th
Cost: \$175 per child

Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Become a super sleuth and learn clever ways of performing tasks in this hands-on view of the science that spies use. From decoding messages to metal detectors and night vision, campers will have the opportunity to check out spy equipment, and discover the technological tools of detection!

Crazy Chemworks

Dates: 7/27/2009 – 7/31/2009
Time: 9:00 - 12:00
Grades: Entering 1st-Entering 5th
Cost: \$175 per child

Become a lab scientist-in-training in this whirlwind program and explore the chemistry of everyday life! Learn to recognize chemical reactions and mix up a few reactive ingredients for some EXPLOSIVE results! Discover amazing things that come to light and glow bright in the dark! Stick it to the walls, and push the power of tape to the limits in an adhesive hour on things that cling! Enter the Slime Olympics. Crazy Chemworks is bubbling over with crazy concoctions and cool experiments to wow your Mad Scientist!
