

Secret Agent Lab: The Science of Spies

Is Coming to St. Francis!

Calling all agents, calling all agents!! Get into gear and learn what it takes to be successful in the world of spies. Step into the shoes of a detective-uncover the science involved in evidence gathering and analysis. From decoding messages to night vision, students will have the opportunity to become super sleuths and check out the technological tools of detection! Focus on the science of forensics in a hands-on look at crime scenes while identifying and collecting evidence, from fingerprints to footprints! Come home from training each week with your very own Mad Science spy tool!

Agents will report after school on Tuesdays
from 3:15-4:15.

Agents should be in grades 2nd-5th

Training is from January 24th-March 20th.

Space is limited so register TODAY!

Complete the registration form on the back and return with a check made out to Mad Science or sign up on-line at register.madscience.org/midsouth. Cost: \$110

We look forward to meeting our new recruits! Call our office for more information 213-3555!
