

MONDAY MAIL – GRADES PK-5 August 23, 2010

1. CAMPUS PARKING

Parents please remember that there are VERY few visitors' spaces around our school campus. The visitor's parking that we do have is marked. Please do not park in an unmarked visitor space since those spaces belong to teachers, staff and administrators who need to park in order to be inside with your children. Your help with this is greatly appreciated. There is additional parking across the street at the church.

2. VIRTUS TRAINING

There is a class being offered this Wednesday, August 25th, 6:30pm at SFA Catholic Church in Room 113. The VIRTUS "Protecting God's Children" training is required in order to work with the youth within the Catholic Diocese. The following volunteers must take VIRTUS training: room parents, lunchroom helpers, coaches, boy/girl scout leaders, parents who volunteer to read to a class, drive for a field trip, help with a party in the classroom, etc. You only need to take this training once! We recommend all of our parents take the VIRTUS training since during their children's school years at SFA they will most likely have contact with our students in a volunteer capacity.

4. NOTES FROM THE LIBRARY

Welcome back! Library classes have begun. Students in K through 5th grade have a weekly library class. After school library hours are Tuesday, Wednesday, and Thursday until 3:30 pm. Students are allowed to select a book; do research; or take AR quizzes. Home Connect is an online service which allows parents (students in 2nd through 8th) to view their child's AR activity for the year from home. Your child will bring home a letter with their username and password on it. File this letter in a safe place. From the Home Connect link on our school's website (SFAwolves.org), you can see what books your child has tested on and the results. Use this information to help your child select reading material on their level.
Happy Reading! Mrs. Pallme
