St. Benedict Campers Fill Summer with Fun

St. Benedict at Auburndale High School offers children of all ages a variety of summer camp and enrichment opportunities. Camps range from art to volleyball and everything in between.

SBA Art and Computer Camps bring out creativity in campers and offer opportunities to express themselves in a variety of art genres including graphic arts. Campers improve their technology skills in computer camp and students gain self-confidence in their creativity in both camps.

SBA Campers can experience all sorts of fun activities in the All-Sports Camp. Not only do they learn basics and techniques in various sports; they also enjoy special appearances from fun guests like McGruff, clowns, zoo animals and much more. Other sports camps offer basic instruction and techniques in baseball, girls and boys basketball, cheerleading, dance/pom, football, lacrosse, boys and girls soccer, tennis and volleyball. Many of the camps offer official camp t-shirts.

All camps meet at St. Benedict High School, 8250 Varnavas Drive (at Germantown Parkway) in Cordova. For additional information - call 260-2840, fax, 260-2850 or visit www.sbaeagles.org. **Make Checks payable to individual camp director (except boys basketball is payable to SBA Boys Basketball Camp) and return with application to St. Benedict Summer Camps, 8250 Varnavas Dr., Cordova, TN. 38016.**

Sports Camps

SBA Sports Camps are for young athletes who are looking to improve their skills, work hard, make new friends and have fun!

Campers will develop new skills and experience a focused, intensive training that is essential to improvement. Over the course of the session, self-confidence will grow along with new skills.

The camp staff includes many of SBA's most respected coaches. Our professionally trained staff is friendly, enthusiastic and committed to the well-being of each camper.

There is no better place to meet new friends, have fun and improve in your sport than at an SBA Summer Camp!

Art and Computer Camps

Our staff loves teaching and mentoring young students and sharing their experiences. They understand the benefits gained from the discipline required in art and technology and the importance in developing self-confidence.

We want our campers to improve their skills and have fun in the process.
