

Camp Timberwolf - Summer 2012

'SURFIN' Summer Fun

St. Francis of Assisi Extended Care offers a quality Summer Camp for students entering the 3 year old Program (PreK) through 8th grade for the 2012-2013 school year. Camp Timberwolf provides activities and special events that are sure to make your child's summer vacation spectacular.

Campers are divided by age and rotate through a variety of activities daily. Every day campers will be busy with arts and crafts, games and physical activities. In addition, each Monday in June campers will be "surfin" with two SUPER Water Slides and an Obstacle Course.
